

Final Exam Schedule First Term 2017/2018

Week day	Date	From 09:00AM to 11:00AM	From 12:00PM to 02:00PM
Saturday	30/12/2017	Computer Architecture and Organization Digital Signal Processing	Programming-1 Programming -2
Sunday	31/12/2017	Analysis and Design of Information Systems-1	
Monday	01/01/2018	Decision Support Tools and Techniques	Mathematics-1
Tuesday	02/01/2018		Introduction to Decision Support and Systems
Wednesday	03/01/2018	Networks Optimization Multimedia	
Thursday	04/01/2018	Linear and Integer Programming	Discrete Mathematics
Saturday	06/01/2018	Operating Systems-1 Genetic Algorithms	Robotics Wireless and Mobile Networks Image Processing-2 Mathematics-3
Tuesday	09/01/2018	Software Engineering - 1	Fundamentals of Computer Sciences
Wednesday	10/01/2018	Internet Applications	Logic Design
Thursday	11/01/2018		English
Saturday	13/01/2018	Internet Technology	Probability and Statistics-2
Sunday	14/01/2018	Machine Learning Inventory Control and Production Management Data Mining Computer Architecture	Electronics-1
Tuesday	16/01/2018	Fundamental of Information Systems	Data Communication
Wednesday	17/01/2018	Concepts of Programming Languages Advanced modeling and Simulation E-Commerce Geographical Information Systems Communication Technology	Fundamental of Management
